Tuesday 21 April 2026 : Deadline to fill in or send us your communication and signage elements for web and printable content and deadline to modify the order, size of the stand or extras.

Monday 27 April 2026 : Deadline to make the payment of the orders. No refunds will be made after this date, in case of any type of cancellation.

Thursday 10 May 2026: Deadline to register on the B2Match platform- please be sure to register all employees manning your stand on the B2Match platform

Wednesday 20 May 2026: Set-up of the stands from 14.00 to 18.00

Thursday 21 & Friday 22 May 2026: European Maritime Day 2026

- REGISTRATION ON B2MATCH -

The physical exhibition will have an online exposure before and during EMD on the event platform B2match, Exhibitor's page, where all stands will be presented in alphabetical order.

After booking and paying your stand, the organizers will create your stand profile on B2match by using the information you provided once booking it (stand description and logo).

Once your team members are registered to the event, the organizers will assign your team to your virtual stand in B2match and give the 'owner rights' to your coordinator (if the "stand owner" should be another person, please let us know via [email](#)).

Only the page owner can edit the company profile visible on the exhibitor's page by adding other information and documents or assign other registered members to the stand.

Please make sure to register all employees manning your stand before 7 May here:

[Home](#) | [European Maritime Day 2026](#)

Once you are a « stand owner », you can add information as follow :

1. Go to your profile on B2Match
2. Click on the 3 dots.
3. Click on edit.

- DELIVERY OF EQUIPMENT -

You may ship packages directly to the venue. Please be advised that the earliest acceptable delivery date is 13 May 2026. We kindly ask you to schedule your shipment to arrive on or after this date.

Please label all packages with the following format (kindly add the name of your stand):

Mario Evangelides

Carob Mill - Vasilissis Street

3042 Lemesos

EMD 2026 Exhibition

Stand Name :

Box N° /

You can download this label in PDF here : [Shipment Label](#)

If you need to return your packages they must be picked up by 22 May evening – any equipment left at your stand after 10 pm on 22 May will be discarded.

If you require further information, please email: exhibition@european-maritime-days2026.com

- INSTALLING YOUR STAND -

On Wednesday 20 May, EMD is open for you to prepare your stand from 14:00 to 18:00. When you arrive, your ordered stand package and ordered equipment is set up and ready for you, and you only need to install your own product, materials etc. by yourself.

- DISMANTLING YOUR STAND –

On the Friday 22 May from 18.30 to 20.00 Carob Mill is open for you to dismantle. EMD26 closes at 18.30, and it is important that you don't start dismantling your stand before 18.30. Dismantling means considering all your products and materials. The stand must be left with only the ordered stand package and ordered equipment. As mentioned above, equipment left at your stand after 10 pm on the 22 May will be discarded.

- EXHIBITOR OBLIGATIONS -

- The exhibitor undertakes to complete the installation of the stand-by Wednesday 21st. May at 09:00 at the latest. This measure is essential for the good organization of the event.
- The exhibitor undertakes to be present at the stand during the official opening hours of the EMD 2026.
- It is strictly forbidden to leave or dismantle the stand before the official closing of the event.
- The badges must be worn throughout the event.
- The organizer reserves the right to expel any person whose behavior would justify.

- PRACTICAL QUESTIONS -

All exhibitors will have access to the catering together with the participants.

The stand walls are made of cardboard. Therefore, it is possible to hang posters but no heavy material on the walls. You are welcome to bring roll-ups or other materials to place in front of the wall.

To the extent possible, exhibition elements should be sustainable, made by recycled or recyclable materials, using environmentally friendly processes. Cardboard, cork, wood would be good materials to use.

Please note that this conference is as paper less as possible, so we rather promote the use of e-publications via apps, QR codes and websites.

You are not allowed to bring any flammable products or equipment with high combustibility.

You are allowed to serve food on your stand, but not to cook it, and only if it is your product that you are presenting.

- INSURANCE -

The organisers (European Commission, Limassol municipality, Shipping deputy ministry) and event organiser WMH Project are not liable for any physical or material damage that may be caused during the handling of any equipment belonging to or rented by the exhibitor for the event. In this respect, each exhibitor undertakes to include in his/her insurance contract a clause waiving all claims against the organisers or WMH Project.

Exhibitors must also take out an insurance policy covering them for the risks mentioned above and for the civil liability they may incur for the duration of the exhibition, including storage, installation, dismantling and re-dispatch.

The organisers or WMH Project may require the presentation of the insurance certificate.
